

# Spring Crafts with Recycled Materials – Preschool Lesson Plan

**Age Group:** 3–5 Years

**Duration:** 45–60 Minutes

## Learning Objectives

- 1 Identify spring themes such as flowers and butterflies
- 2 Create crafts using recycled materials
- 3 Develop fine motor skills
- 4 Understand basic recycling concepts

## Materials Needed

- 1 Egg cartons
- 2 Toilet paper rolls
- 3 Old newspapers or magazines
- 4 Non-toxic glue and washable paints

## Activities

Children create spring flowers, butterflies, and collages using recycled materials.

## Assessment

Observe participation, creativity, and understanding of recycling.
